Join the Scioto Irish Football Staff for their 18th Annual Football Camp, June 13-16 from 9:30 a.m. to Noon on the Scioto football game and practice fields. Athletes will be coached by the Scioto Football staff as well as current and former players on the **FUN**damentals of football. Special attention will be given to the "skills" of football: passing, catching, running, and kicking, as well as blocking and tackling. This is a non-padded camp. Athletes will participate in flag football games each day. Thursday will be all competition with special awards for winners in each age group. All participants will receive a Scioto Football camp T-shirt.

The Irish Football Camp will be lead by Head Coach Karl Johnson and his staff. Coach Johnson completed his 17th season as Head Coach of the Irish and has thirty years of coaching experience in Dublin. The Scioto Irish have become one of the most respected programs in Central Ohio and have won multiple league championships and have been to the playoffs ten times including trips to the Regional & State semi-finals and a State Championship in 1995.

This is a great camp. There is very little sit-around time and our coaches make each day fun. Highlights: Daily flag football, Individual Offensive and Defensive skills, NFL combine and Thursday is all competition and awards.
